

# TEMPORARY FOREIGN WORKERS

NCSG Crane & Heavy Haul is looking for experienced All-Terrain Crane Operators! We offer a safe unionized work environment, competitive compensation, exposure to major energy companies, and more! Turnaround beginning March 23, 2023 for approximately 6 weeks. Opportunities for subsequent turnarounds available.

## ABOUT NCSG

NCSG Crane & Heavy Haul, headquartered in Acheson, Alberta, is one of the largest crane and heavy haul companies in Canada. With over 30 years of service excellence, NCSG provides mobile crane and heavy haul services throughout western Canada.

NCSG has a significant presence in Canada's oil sands region and is a primary contractor in both maintenance and new construction to major energy companies.

NCSG and its affiliated group of companies are committed to the protection of our employees, contractors, customers and the general public with respect to health, safety and the environment. We view safety as our highest core value, and believe that all incidents are preventable.
